**Georgia Christian School
Payment Policy and Financial Information**

It is my understanding that all tuition and fees for the school year are payable and due at the time of enrollment. The election of a semester payment plan **does not release me from this obligation**. I understand that I am responsible for keeping my tuition payments current during the time my child is enrolled. Accounts that are more than two months delinquent and satisfactory arrangements have not been made will result in the student being dropped from class and the students I-20 being terminated. I have the option to prepay the tuition in one annual payment, or two semester payments. These payments are made directly to GCS.

I understand that if I choose to make the annual payment, the payment is due on or before August 1, 2021.

I understand that if I choose to make the two semester payments, the 1st semester payment is due August 1, 2021, and the 2nd semester payment is due December 1, 2021.

Arrangements for tuition and other financial obligations must be completed before the student starts classes. All families must be:

1. Current to begin school
2. Current at Mid-term
3. Current to graduate (all grades)

Grades or report cards **will not** be issued at mid-term or end of the year unless tuition is current. Transcripts and other materials **will not** be sent to another school while the account remains open.

Late Fees: Late fees are assessed on the 10th of each month at the rate of ten percent of the payment due.

Late Registration: Tuition will be prorated only after October 15, 2021 of the first semester and February 15, 2022 of the second semester. Late registrants are still responsible for full registration and book fees.

Refunds: If an annual or semester tuition payment has been made and the student is either expelled or withdraws because of disciplinary or academic problems, tuition monies **WILL NOT** be refunded.

Withdrawal Penalty: There will be a fee of \$500 (per family) charged for withdrawal of registered student(s) after August 7, 2021.

Any student who is either expelled or withdraws due to disciplinary or academic problems is obligated to pay tuition for the balance of the academic year.

Agreement:

I have read the above policy statements and agree to be governed by these policies of Georgia Christian School.
